Corrigendum for cancellation of Online Bid

Date: 25.03.2025

Reference No.: RFP - GEM/2025/B/6059335

Date: 15.03.2025

Subject: Cancellation of Bid for Engagement of CA Firm for WAVES 2025

With reference to the above-mentioned bid floated through the Government e Marketplace (GeM) platform for the engagement of a Chartered Accountant (CA) firm for WAVES 2025, it is hereby notified that the said bid stands **cancelled** with immediate effect due to below mentioned reason: -

The committee observed that a significant majority of bidders failed to submit complete documentation, resulting in irregularities in the bid submission process as required by the RFP submission criteria. This marks an irregularity in the standard two-bid submission procedure and deviates from regular bidding practices, which may impact the subsequent QCBS evaluation and selection.

The committee has determined that the current procurement process should be revisited, considering the high-profile nature and international significance of WAVES 2025. Therefore, the current bid is hereby withdrawn.

All participating bidders are requested to kindly take note of this cancellation. Any further communication or re-tendering process, if applicable, will be duly notified through the GeM portal.

We appreciate your interest and thank you for your participation.
